Subject: Grandville Invitational Meet

KAC Families,

This is just a reminder that you will need to sign your child up for the Grandville Splash Invitational meet by December 5th if you would like them to participate. I have included the link below for information on this meet. We will confirm with Coach Josh how he would like handle sign-ups at practice on Monday. This meet will be similar to our invitational, but will include relays. Please visit the team room as early as possible this coming week to get your child signed up if they would like to participate. I believe the cost is \$3.00 per event per swimmer. More to follow as soon as possible.
