Subject: Practice is on for December 26th

KAC Families,

If you have no remaining festivities on December 26th, we will be holding practice. I suspect the turnout will be small in terms of kids and maybe coaching given the holiday. However, if the kids cannot wait to practice after the holiday, or need to swim off the excess food and treats, come and join us! We will also have practice on Monday, Tuesday and Friday next week.

Please be sure to visit the coach's room and volunteer for our meet on January 3rd (and sign your child(ren) up to participate by 12/30). We cannot put on a successful meet for the kids without your help. Since we have the best parents in Kentwood, I have no doubt we will pull it off once again!

I also understand that the entry door to the school may have been locked leading up to practice time yesterday. I cannot explain why that happened, as the pool was fully staffed and waiting for us. We had even checked throughout the day to make sure the pool was open. I apologize if you showed up and could not get in. It was outside of our control and a surprise to the pool staff as well.

Anyway, Happy Holidays To All!!!

Brian Moore
