Subject: Help for Saturday

KAC Parents,

We were informed yesterday that we will need to marshal our own swimmers at Northview on Saturday. Northview typically marshals on the pool deck and it will not be as intensive as marshalling a home meet. We will need two or three people to be on deck to help. If you are willing/able to help, please let us know and/or sign up in the hospitality room at the pool.

Thanks in advance for your help!

Brian Moore
