Everyone,

Several families from KAC are planning to stay in Ludington either Friday or Saturday night for our meet this weekend. I just talked with the Ludington Holiday Inn Express, where several of us are planning to stay Saturday night, and they have set up a special room rate for us. If you mention Kentwood Aquatics Club when making a reservation, you will get a special rate of \$65 for a room with two queen beds and \$75 for a "kids suite". They are limited on the number of suites remaining. If you have already booked your room for a higher rate, they suggested that you call them and mention that you are with Kentwood Aquatics Club and they will adjust your rate. I spoke with Monica. The direct line is 231-845-7004. It is my understanding that the rate is good for Friday, Saturday or both.

Good Luck!
