Subject: Mock Meet and Other Info

Our first swim meet will be our mock meet (just our team), which will take place on Friday, June 12th. We will be running 3-4 events per age group and it should only last about an hour or so. Swimmers will need to be at the pool by 6:00 pm. This will give them time to get their event numbers and stretch before warm ups. Warm up will begin at 6:30 and the meet will begin at 7:00. This meet serves many purposes including giving new swimmers the experience of how a meet is run and giving coaches some early times, so that we can place them in events for the dual meets.

To ensure that your child is swimming in this meet, please be sure to sign them up by Tuesday, June 9th. There will be a sign up sheet attached to the white board inside our team room starting tonight. If a swimmer is not signed up by Tuesday, June 9th, they WILL NOT be swimming.

Also, just wanted to remind parents of the invitational we are hosting, on Saturday, June 20th. We are looking for parent volunteers for this meet. Volunteer positions include timers, concession workers, marshals, admissions table workers, check in table workers, set up/tear down, and a few I am probably forgetting. All of these positions are easy and can be learned from parents who have experience running swim meets in the winter. There is a sign up sheet on the white board in our swim room. Thanks for your time in advance. We cannot run this meet without your help and support!

Coach Josh
