Subject: Important Practice Info for week of July 20th

Parents,

As some of you have heard, the pool will be closed the week of July 20th. We are fortunate that Godwin has given us permission to practice at their pool during this week. Godwin Heights High School is located on the corner of 36th and Division, with the pool parking lot/entrance located on 36th Street. Even though the practices are not at our home pool, it is important for swimmers to attend these practices. We will be working a lot on starts, turns, strokes, and relay exchanges during this week. Since we have our conference meets that week and only certain swimmers will need to practice on certain days, I have made a schedule of practices for that week.

Monday, July 20th: ALL SWIMMERS - normal practice times

Tuesday, July 21st: "A" MEET SWIMMERS ONLY - 9-11am

Wednesday, July 22nd: 12 & UNDER "A" MEET SWIMMERS ONLY - 9-10
