Subject: Fall/Winter KAC

I hope everyone had a great summer and a good beginning to the school year. It has been a very busy time around our house, but all is good!

I just thought I would send a quick note to let everyone know that the Parent Committee has started planning for the Fall/Winter KAC season. At this point, we expect to start on November 16th, as the pool is booked with other activities until then. Like last year, we will hold practices on M,T,Th,F. We are currently planning to have practice times very similar to last winter. In general, we plan to start the 10 & unders at 6:30pm and they will swim until 7:30pm. The 11 & up group will begin at 7:30 and swim until about 9:00 pm. There may be some slight variation in this schedule due to minor conflicts with high school and middle school swimming and water polo. However, these should not be significant. The cost will be similar to previous seasons. We will have registration forms out soon.

The core of our coaching staff will be returning this year, which should be great! We are still working on replacing Coach Emily since she is off to college, but we hope to have that done soon. If you know of anyone who would may like to coach for KAC, please pass their name along to us.

Coach Josh and I will be attending the WMSL meeting next Monday and we will get final information out shortly thereafter. We look forward to seeing everyone back for the winter season. We had a great year last year (both winter and summer)! We all look forward to making this season even better!

Finally, we are always looking for people who are interested in helping with the Parent Committee. Many of our current member's children are getting older. We need some people with younger kids who would like to help continue our growth in to the future. If you would like to get involved, just let me know and I will add you to the contact list.

Brian Moore

KAC Parent Committee President
