Subject: KAC Practices/Meets and Weather

This is just a reminder that KAC practice will be canceled any time Kentwood Public Schools is closed. Please watch the local TV stations for cancellations. Even if the weather clears during a day that school is canceled, the buildings will remain closed and we will not be able to have practice. We will try to get an email out and update the website as soon as/if possible for any cancellation. However, please watch the TV carefully for school cancellations.

We don't expect the bad weather to continue in to Friday/Saturday, but we will communicate as soon as possible if we have to cancel either of those days.. Again, please watch the television and your email closely on those days for cancellations.

Thanks,

KAC
