Subject: KAC Merchandise Reminder

KAC Families,

This message is just to let everyone know that any KAC merchandise that was ordered will be available Wednesday evening. Kristi Halquist will be at the pool by 6:45pm if you have items to be picked up. She will also have other merchandise available (t-shirts, hats, towels, etc.) if you need any last minute Christmas presents. Kristi also asked us to remind everyone that approximately 25 grey team t-shirts have not been claimed. If you have not received yours, please stop by and see her when you get a moment. I believe there is also a few swimsuits that have not yet been picked up. Those will be available this week as well.

Speaking of swimsuits, one of our swimmers is looking for their suit. It was left in the girls locker room the Friday before the KAC "Rock the Blocks" invitational. Her name was on the box, but it was not in the locker room when she returned early the next morning. If you have seen this swimsuit, or maybe you picked it up and don't know whose it is, please let me know and I can get it to the right person.

Thanks to everyone for your support of KAC! The kids are doing great! Happy holidays to everyone.

Brian Moore
KAC Parent Committee President
