Subject: Weekly Info

Parents,

We had our most competitive swim meet of the season this past Saturday. The final score of the meet (including 13 & 14 swimmers) was Grandville 517.5 and KAC 497.5 Wow, what a close meet! We had 108 swimmers at this meet, but if we would have had all of our swimmers there, we would have been able to make up the 20 point difference. The coaching staff is proud of all the swimmers who competed on Saturday.

Our last dual meet will be this Saturday against the Gators at our pool. There is a sign up sheet in the team room. The last day to sign up for this meet will be tomorrow, Tuesday, January 26th..

There is also a sign up sheet for the championship meets at the end of the season. This includes both the "A" and "B" Meets. We are expecting every swimmer to compete in the meet that they have qualified for. If you have any questions to as what meet they will be swimming at, please contact your child's swimmer. The last date to sign up for these meets will be this Friday, January 29th.

Practice Schedule for this week is Monday, Tuesday, Wednesday, and Friday.

Don't forget team pictures tonight at 7:30. Hope to see everyone there tonight!

Coach Josh
