Subject: KAC Practice Schedule for this week

Welcome to the Summer KAC season. We are excited to get the kids in the pool and welcome those who are new to KAC. Unfortunately, we do have a conflict in the pool this week. The high school girls waterpolo team has their final regular season home meet Tuesday night. Therefore, we will not be able to have practice that night for the 10 and under swimmers. The first day of practice for the 10 and under group will be Friday.

We will be updating the KAC calendar asap. You can visit the calendar through the website at <http://calendar.yahoo.com/kacpredators1@sbcglobal.net>. We will do our best to get emails out regularly, but we would encourage you to check the calendar as well.

We will see you all at the pool this week!

Brian Moore  
KAC Parent Committee President
